

# BISTRO

## Lebenswelten

## FACTSHEET

### Places & Seats

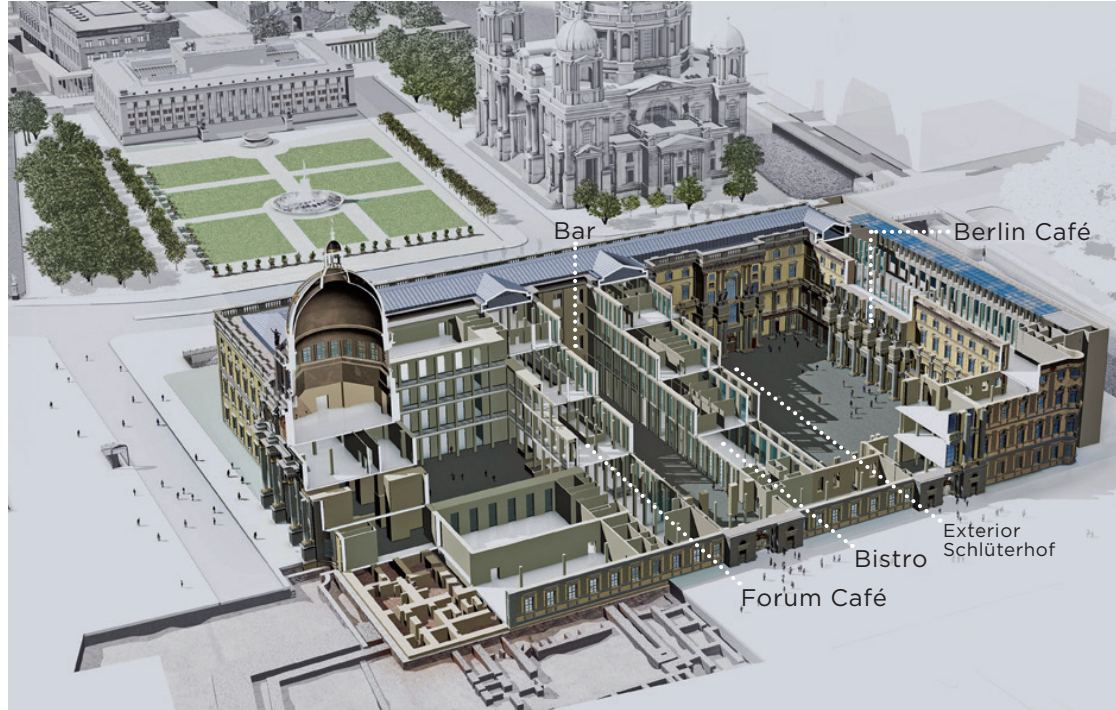

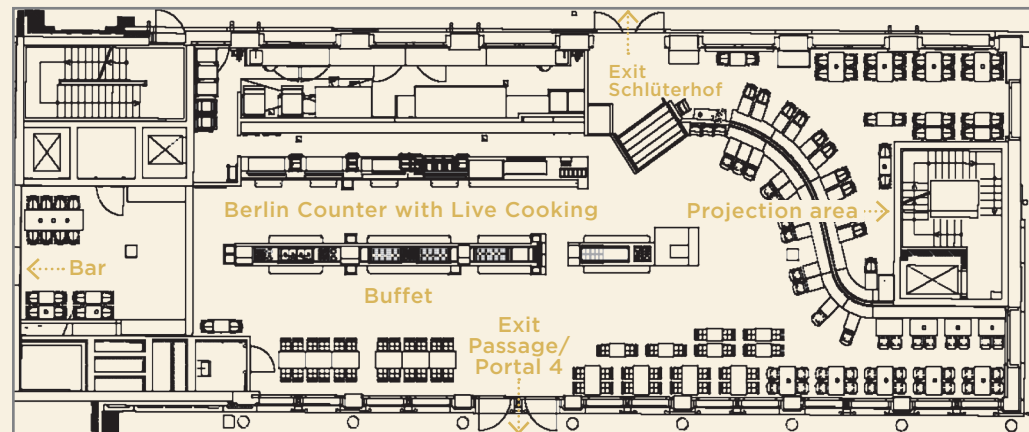

The bistro can be booked exclusively for 120 people or more. A maximum of 210 seats are available. The tables are set for 2, 4, 6 and 8 persons (floor plan). An individual seating is possible on the side facing the passage. The bistro can be booked together with the bar. Then there are up to 260 seats in total.

### Food & Drink

We have large buffet areas in the bistro for a beautiful food presentation and for the Live Cooking of our chefs. Guests can serve themselves or we serve at the table. We will be happy to discuss the culinary direction of your event with you.

### Light & Sound

The bistro has a sound system for solo artists, bands and DJ's as well as a mobile stage with stage lighting. For the room there is a lighting system with moving heads for variable light shows. A beamer and a cordless microphone are available for presentation. Staff is required to use the technology. W-Lan is available everywhere.
